Jennifer Kostuik Gallery's first solo exhibition focuses on a mutual love of both artist and dealer of Trees. Featuring compelling images captured in Japan, France, Italy and China during various seasons of the year, each created by long exposures and presented in the beautiful, time-honoured gelatin silver print. Kenna will be signing his recent book publication *Trees* at Kostuik Gallery on November 2<sup>nd</sup> from 5pm - 7pm.

The work of Kenna has been published, awarded, and collected for decades.
